## LABOR WILL TALK ON JAP BOYCOTTING

**Proposal From England Is Up For Discussion In Washington Meeting**

WASHINGTON, Jan. 29.—A proposal of British labor that would join untold workmen of many lands to the world in a boycott of Japan will be considered by the executive committee of the American Federation of Labor next week.

President William Green of the A.F.L. Tuesday announced receipt of the proposal from Sir Walter Clinton, general secretary of the British Trade Union Congress and president of the International Federation of Trade Unions. Green said it would be placed before the executive committee at its meeting opening Monday in Miami. It was recalled that the federation convention last fall had condemned Japan for its invasion of China.

The proposal calls for an alliance of the Great Britain and the British Empire with the United States, France, the Netherlands and the Netherlands to clamp specific boycotts on Japanese products. It also asks an embargo on the export to Japan of arms and munitions.

Sir Walter added that an explicit guaranty of mutual aid from the countries concerned "in the event of a Japanese attack upon the armed forces of the territories of any of the participants would be an indispensable condition of concerted action."

The proposal also called for prohibition by the several governments of government or private loans to Japan or her nationals.

**Canadian Groups Demand Action**

OTTAWA, Jan. 28.—If the executive of the American Federation of Labor demands United States government action, to boycott Japanese goods it will fall in line with three Canadian organizations which have demanded similar action by the Canadian government, as the without success.

## Marooned Expedition's Relief Boat Is Delayed

GEORGETOWN, British Guiana, Jan. 28.—Anxiety for an American expedition, marooned on an island deep in the hinterlands of British Guiana since their boat was wrecked Dec. 28, was heightened Wednesday when a boat reached Georgetown with news a relief party had not reached the four members of the party.

A boat returned to Bartica Wednesday and reported the relief party had encountered no great trouble. It would require at least four days for them to reach the marooned Americans on Devil's Hole Island.

# Edmonton's License Reduction Request Is Refused

## City Receiving Repeated Pleas To Reduce Fees

The civic finance committee Wednesday rejected an application by Edmonton hotelmen for the cancellation of the license imposed by the city on beer parlors or, as an alternative, that a rebate be allowed by the city in return for free washroom service supplied by hotelmen.

A majority of the committee supported a motion by Ald. Hugh J. Macdonald that the request be not granted. The afternoon session of the city was receiving repeated requests for reductions in license fees.

The city imposes a beer parlor license ranging between \$150 and \$200 a year, depending on the location of the premises. It was reported the minimum levy imposed by the province was \$200 a year, while the province also imposed a two per cent sale tax on all beer sold.

Appearing for hotelmen, Robert McDonald, manager of the hotel, asked the men in the city to be considered on a par with the rest of the city.

McDonald, claiming that the service was a substitute for a service which the city would otherwise have to provide in the form of a contest station.

GET PROTECTION  
In a report to the committee, Police Chief A. G. Shute claimed hotelmen had no grounds for requesting removal of the license since they received adequate police and fire protection. The washroom facilities given were for the most part by hotel patrons, he reported.

Ald. George Campbell suggested that hotel proprietors seek a reduction in the price of beer licenses since this was higher than that imposed by the city.

Rev. H. Stibbard, of the Temperance Association, submitted that because the grant of beer licenses was similar to concessions, it had no right to grant a reduction in beer parlor license.

Edmonton was the only city in the province which has this levy, Ald. D. K. Knott explained.

The committee passed a motion that the application be rejected.

ENLARGING OF SCHOOL AREA IS PROTESTED  
Protesting against the formation of an enlarged school division in their district, a delegation of approximately 10 residents of the Holden area, interviewed Premier William Abernethy in Victoria.

Consideration was promised for their representations.

It was contended by the delegation that the setting up of the enlarged district would increase its proportion of the plan and also submitted that the trustees of districts at present functioning would have a large part in the process of formation.

The delegation also submitted that in the interests of the community as a whole, formation of the enlarged district would be better than the present.

In the last couple of weeks there have been several delegations interviewing the government on the same point.

In the meantime formation of districts is proceeding and there are about 23 other formed or in the process of formation.

## PILOT MAKING MERCY FLIGHT INTO ABISCAW

Len Waagen Will Bring In Injured Fur Trader Named Gamber

Delayed by a "mercy flight" which will take him far out of his own way, Len Waagen, flying the mail from Dawson Creek and the Peace River district to Edmonton in a United Air Transport plane is expected to arrive at the Battleford airport in Edmonton late Thursday afternoon.

Waagen will fly to Whitecourt, which is about 60 miles north of Peace River and about 200 miles northwest of Edmonton, to pick up a fur trader named Gamber, who has a broken leg, and fly him in to Edmonton.

WORD RADIOED HERE  
Word of the accident was radioed to Edmonton Thursday and then relayed to Waagen over the two-way wireless system with which the company keeps in touch with its pilots.

The report did not say whether the trader sustained his injury, but his condition was serious. Arrangements have been made to have the plane met by an ambulance so that the injured man can be rushed to hospital on arrival.

Mr. Gamber's plane "Tweed" is still at Nelson Fork flying supplies into the party of seven trappers who are working the valley of the Coal River in the Yukon.

Eric Kalkick is flying a load of supplies from Whitecourt to Ft. Francis lake. Sherry Jacky is flying to Ft. St. James to Prince George on a regular mail schedule, and Russ Baker is doing charter work between Fort St. James and Humphrey lake.

Two Persons Are Hurt Slightly In Auto Accident

Two persons were injured slightly in traffic accident which occurred in the city Wednesday, reported Major Alex Biddell, chief of the traffic squad Wednesday morning.

Thomas J. Skakum, 10600 101 street, sprained his knee when he was thrown from his truck following a collision with a truck loaded with lumber.

R.R. No. 2 at the intersection of 101 street and Jasper avenue Wednesday afternoon. The truck was almost demolished when it was struck by the lumber truck.

Both related that he had speeded in order to avoid traffic coming from the other direction just before he crashed into Skakum's truck.

William Smith, 2628 106 avenue, also was injured. He was struck and knocked down by a truck allegedly driven by Harold B. Anderson of Glenora, B.C., which was crossing the intersection of 101 street and Jasper avenue Wednesday evening.

Police Court  
Pleading guilty before Magistrate J. H. Macleod to a charge of failing to keep to the right of an intersection when turning a corner with his automobile, Al Amoy was ordered to pay a fine of \$2 and costs. The charge followed police investigation which was made by Constable J. H. Macleod.

Charges of assault against Steve Kalkick and Joe Bernhart were withdrawn when the crown announced that there was not sufficient evidence to warrant proceedings.

Mike Noddy was fined \$1 when he was charged with driving over a driver's license. On a second charge of having defective brakes he was granted an adjournment until Friday.

Mrs. Mary Cherniawan, convicted on a vagrancy charge, was sentenced to four months in East Saskatchewan jail.

## DISEASE TAKES THIRD LIFE AT CITY HOSPITAL

Girl, 4, Dies of Diphtheria—Ten Cases Treated in Edmonton

Third death from diphtheria was reported Thursday by Dr. G. M. Little, medical health officer, for the patient being a four-year-old girl from Fort Assiniboine on the Athabasca river. The girl died in the isolation hospital after being admitted for treatment about ten weeks ago.

The other two deaths were city cases—a five-year-old boy who died January 8 and a five-year-old girl who died January 12, both in the isolation hospital.

TEN CASES TREATED  
Since January 7 ten cases of diphtheria have been treated here, nine of them being Edmonton patients. The tenth case was a child from Fort Assiniboine.

While he was not anticipating a wide outbreak of the disease in the city, Dr. Little is warning parents of the protection of their children. Diphtheria if it has not already been acquired requires three treatments and may cause serious damage to the physician or by the city health department.

EFFICIENT TREATMENT  
"This form of protection against diphtheria has been so definitely established that it is now possible for any person contracting the disease," Dr. Little said, "to be treated immediately and to recover without any danger in the isolation treatment. In view of this, I am looking forward to the day when isolation will be compulsory for the protection of the community. Children from the age of six months to five years should be vaccinated. The last outbreak of diphtheria here was in 1931 when there were 27 cases.

Calgary Officer Finds Missing Girl His Maid

CALGARY, Jan. 20.—Constable Frank Darnell did not have far to go to find a girl missing from her home Monday. She was working at his home as a maid.

Mrs. F. Mertz, 16-year-old, was not found when Darnell searched for the "missing girl" circular at the home of the girl's mother. The description as that of the new maid at his home.

POLICE SIGNAL SYSTEM PLAN REPORT ASKED  
Considering a proposal by Ald. D. K. Knott that a new police signal system be improved and another suggested by the city engineer, the use of radio cars for police work, the civic finance committee Wednesday asked that the city engineer report on commissioners on the improvement of the police communication system.

Installation of an up-to-date police signal system was rejected by the committee on a motion by Ald. Knott. The committee also asked that the city engineer report on the improvement of the police communication system.

Urging the modernization of police signals, Ald. Knott declared the present equipment was obsolete and gave trouble during adverse weather conditions.

The question was then tabled for further consideration. The committee also asked that the city engineer report on the improvement of the police communication system.

Gillespie Named On Board Road  
Joseph Thomas Gillespie, of the Western Canada Fur Association, was named as a member of the board of directors of the company.

100 Pheasants Are Kept In City  
Consequent upon arrangements made by Hon. Solon E. Low, provincial treasurer, a consignment of 100 pheasants was received at the provincial government fish and game station, according to W. Wallace, commissioner. Of the 100, 25 are of the variety known as "Golden Pheasants."

A shipment of 10 of the birds will go to the farm of Martin Clarke at Champlain, and the rest will be sent to the Grande Prairie district, where they will be distributed to the pheasants have been placed.

## STREAMLINED LOCOMOTIVES IS C.P.R. PLAN

W. M. Neal, Vice-President, Announces Modernization Program

Canadian Pacific Railways plans to place 15 streamlined light-weight locomotives in service in Western Canada during 1938, according to W. M. Neal, of Winnipeg, vice-president in charge of western lines, who arrived in Edmonton Thursday on a routine inspection tour. He plans to return to Winnipeg via Saskatoon after conferring with officials at the coast and Calgary.

Mr. Neal declared that the equipment modernization program in the west is due in no small measure to the success of the Chicago, semi-streamlined train operating between Edmonton and Calgary since September 26, 1936. Two of the new type locomotives have already arrived in Calgary for the first time.

Mr. Neal was optimistic over Alberta's rich natural resources and the development of the province as that of any other province in the Dominion.

While the city, Mr. Neal conferred with J. Ivan MacKay, C.P.R. vice-president, of the city, and James M. MacArthur, general manager of the Northern Alberta Railway.

Where water is easy to get, we are apt to forget the importance of it in the lives of animals and plants. To produce a bushel of any corn requires about 13 tons of water, and a ton of alfalfa hay requires something like 96 tons of water.

## 220 PERSONS SAID KILLED IN BOMBINGS

LONDON, Jan. 20.—Reuters News Agency dispatches from Barcelona last night said 220 persons were officially reported killed there in a terrific insurgent bombardment and it was believed more than 100 were killed in a simultaneous raid on Valencia.

The government defence ministry said more than 400 were injured in Barcelona in addition to the 220 killed when insurgent air raiders rained bombs on the temporary capital Wednesday.

Tons of explosives were said to have been dumped on Valencia, one of the Government's two principal coastal cities. Clinging bombs were seen in the streets, gas masks and communications lines were reported.

## Former Patient In Guilty Kidnapping

LONDON, Oct. 20.—Walter Steele, former patient at the Ontario hospital, was convicted today of abducting seven-year-old Barbara Hebblethwaite of London. Magistrate David Menzies remanded him to jail for sentence Friday.

## Man Rejects \$120-a-month Job So Is Cut From Relief

CALGARY, Jan. 20.—A relief recipient who refused to accept a position in a government institution at a salary of \$120 a month was instantly struck off the city relief rolls when the matter was brought to the attention of the unemployment relief committee, here Wednesday. Alderman F. R. Freese, chairman, presided.

In a letter to relief officials in connection with the matter the man, a mechanic, said he refused to take the position because he was unable to pay for his fare to take him to work; did not have enough money to keep himself and family until the first pay cheque was due; believed he was unable to handle the job of looking after machinery in the institution's laundry; understood clothes going to the laundry were not furnished previously and there was fear of infection and, in conclusion, stated that he expected a man to come to the city and give him a job in his own line of work.

Members of the relief committee were completely dumb-

founded at the facts presented to them.

Alderman H. G. L. Cunningham was the first to recover from his astonishment and said: "Strike him off the list immediately. Perhaps he will think the job he says he is expecting to have offered to him, W. G. Southern and Ald. Freese were of the same opinion."

It was stated that the relief committee was not prepared to hire a person 40 years or over because of his age could be jailed under a bill introduced Wednesday in New York's legislature.

The measure does penalties of \$50 to \$200 fine or imprisonment for 20 to 30 days.

## TEMPERATURE STAYS ABOVE ZERO LEVEL

Still staying faithfully in the new-to-freezing-point stamping grounds, Edmonton's temperatures ranged from a high point of 16 above, registered at 1 p.m. Wednesday, to the minimum of 1 above, registered at 7 and 8 a.m. Thursday.

By 9 a.m. the mercury had climbed to 4 above and the thermometer time was given as "continued cold." Away up there in the far north, there are not so bad considering what the far north is supposed to be. The lowest recorded temperature on Thursday morning being a mere 3 below, registered at both Fort Norman and Nelson. Alavik trailed with 18 below, while Fort Simpson was next with 16 below.

In the near north, over half of the province's population in above zero readings for 8:30 a.m. Thursday. The highest temperature in the north was 10 above at Spirit River and Beaverlodge, both with 18 above. On the chilly side of the scale was good old reliable Fort Vermilion, holding down the title of "Old Bear's Paradise" by coming up with the coldest reading of 20 below.

## EDSON LOGGERS JOIN C. I. O. IN LARGE NUMBERS

EDSON, Jan. 20.—With H. Savage, C.I.O. organizer, taking an active part in the proceedings the first loggers' convention held here found 40 delegates attending and representing 450 out of the 600 men employed in logging operations in this area.

Although only a month old the new organization already has three organizers in the field. They are Ole Berg and Charlie Dean and the majority of the camps in the Edson area are now organized. Application has been made for affiliation with the Alberta Federation of Labor.

Delegates to attend the coming provincial convention of lumber workers and to interview the provincial government with regard to camp conditions in Alberta logging camps generally were appointed and the convention placed itself on record regarding loggers' wages and the 48 hour week. Demands will also be made for improved washrooms and bunk-houses and for first aid facilities in all camps.

F. Creighton of Edmonton selected as president of the new union and an intensive organizing campaign is planned throughout the district with the object of organizing all camps in the area 100 per cent unionized.

## SASKATCHEWAN GRITS ENDORSE REFORM LAWS

REGINA, Jan. 20.—Council of the Saskatchewan Liberal party at the annual meeting here Wednesday endorsed policies of federal and provincial governments and urged extension of existing reform legislation.

Thomas Miller, of Moose Jaw, president of the council, was re-elected. The council passed resolutions directed the formulation of government in tariff extension of the Farmers' Creditors' Arrangement Act to embrace urban residences, and establishment of a federal air line to connect the home and mineral areas with the trans-Canada air route.

## Girl Succumbs After Horse Steps On Her

LETHBRIDGE, Jan. 20.—The death occurred in a local hospital this morning of Elizabeth Louise Hamilton, 11 years, daughter of Mr. and Mrs. Allan M. Hamilton, and a granddaughter of ex-Magistrate W. A. Hamilton and Mrs. Hamilton. The Hamilton family reside on a farm about six miles north of the city.

The child was admitted to hospital following a recent accident when her pony stepped on her. She and a young friend were riding home from school on the horse when it became frightened. The children fell off and Elizabeth was injured internally.
